

Scenic Walking Tour of Gaeta

Departure: 2:30 PM from the Castle (conference venue).

The Route: Our tour will begin at the Castle. We will walk up the Monte Orlando Regional Park via the characteristic "27 discese" path. Along the way, we will stop at three spectacular panoramic viewpoints overlooking the old fortress of Gaeta and its two castles, including our conference venue.

Montagna spaccata: The route will then continue to the western side of Monte Orlando, where we will visit the striking Sanctuary of the Montagna Spaccata (Split Mountain). Here, we will see the famous natural rock cleft and enjoy the beautiful viewpoint overlooking Serapo beach, before finally heading back to the hotel area.

Practical Info: The tour will last approximately 2:30/3 hours. Although we will walk at a very relaxed pace (the normal time is 2 hours), we highly recommend wearing comfortable walking shoes or sneakers, comfortable clothes, a hat, and bringing a water bottle.

Difference in altitude going up 160 m, going down 180 m.
